Respected Sir,

We the villagers of Devasamudra Hobili heartily welcome you to our part of the Taluk. Your presence ---- assures us that you would easily be able to sympathise with our difficulties and to remove them.

2. Our greatest need is a hospital within the easy reach of poor patients and women. The only one at Konakelmuruvu is too far to be of any use to us.

3. We therefore beg to suggest that a hospital may kindly be opened at Rampur which is rapidly rising to importance.

4. We are prepared to contribute our humble mite Rs.3000 for the purpose.

Extract sent to Edn Section.

5. We also request that a middle School may be kindly opened at Rampur.

6. We humbly pray that your Honour will kindly pass early orders in the matter.

We Beg to remain,

Respected Sir,

Your most obedient and loyal villagers.

In the statement of expenditure appended to the Civil Surgeon's letter, the expenditure is proposed to be allocated between the State, Ind & Dl Funds. It does not understand whether Rampur is a municipal area and if so whether the Committee is prepared to meet its quota of the cost.

It is also a question for Govt's decision whether

This is not a Municipality but is a village Panchayat

Note:-

Mr. N. Channabasappa, Sowcar and R.S. Member, Molakalmuru, interviewed the Dewan on 20.6.1927 and represented that a dispensary was greatly in need at Rampur, and requested that Govt may kindly make arrangements to open one at the place. The opinion of the Senior Surgeon in the matter was called for, and his reply was awaited.

Meanwhile, further representation on the same subject was made to the Dewan during his tour in the Chitaldrug Dist. by the people of Rampur and other villages of the Devasandra Hobli who promised that they would contribute to the extent of Rs 2000/- towards the construction of the dispensary building if Govt sanction the opening of a dispensary at Rampur. This was also sent to the Senior Surgeon for opinion and report in continuation of the former communication in the matter.

The Senior Surgeon after consulting the Dist Board who gave their consent for the opening of a dispensary at Rampur and also who agreed to bear their proportion initial as well as re-current ch...

involved, submitted formal proposals for the opening of a dispensary at Ramper for Govt. servants and stated that the dispensary may temporarily be located in a portion of the V.B. at the place, quarters for the staff being found in private buildings at small rents until new buildings were constructed for the purpose in accordance with the suggestions made by the President, Dist. Bd.

L

The Senior Surgeon was written to make necessary provision in the medical budget for 1928-29 in order to meet the Govt. share of cost involved and the President, Dist. Board, Chitaldrug, was asked to collect the contribution promised by the villagers and also send resolutions of the village panchayets in the matter of bearing their proportion of the maintenance charges of the dispensary.

It is now reported by the Senior Surgeon as well as the President, Dist. Board, that the full amount of contribution promised by the villagers has been realised.

Some resolutions of the village panchayet in the matter of meeting the cost of the maintenance charges have not yet been received.

P. W. D

Now that a dispensary on a reduced scale has been proposed to be opened at Rampur, the recurring charge will come to and have to be met in proportion as detailed below: —

I

1. Govt quota.

(a) pay of Sub Asst Surgeon Rs 35/- p. m.
or Rs 420/- p. a.

(b) cost of Europe medicines Rs 500/- p. a.

Total ——— = Rs 920/- p. a.

2. Dist Board's quota.

(a) Charge allowance Rs 10/- p. m.
(b) pay of compounder Rs 20/- do
(c) pay of two midwives Rs 60/- "
or Rs 30/- each.
(d) pay of servant. Rs 10/- "
(e) Contingencies Rs 5/-

N.C. this we have to add the cost of country medicines Rs 100/- p.a which together make up the total cost to be borne by the Dist Bd Rs 1120/- p. a.

Out of this Rs 1120/- p.a, the portion the village panchayets will bear is not yet settled and the resolutions will be sent after it is awarded. It is a matter to be settled between the Dist Board and the village panchayets as to what proportion each has to bear of the total expenditure of Rs 1120/- refd to above.

Notice has been laid about the constructions of necessary buildings in the G.D. refd to above, perhaps, the cost of the dispensary building may be met by Govt, Dist Board, and village panchayets in equal proportions towards which the villagers have contributed Rs 3000/-.

Further details in the matter will be worked up after the reports from the village panchayets have been received.

Sir,

In inviting reference to correspondence ending with my letter No. G.C. 25-19, dated the 5th September 1928, about the opening of a dispensary at Ramapura in the Molakalmuru Taluk, I have the honour to forward a copy of letter No. 259-L.F. 27-23, dated the 17th December 1923, and its enclosure received from the President, of the District Board, Chitaldrug, from which it will be kindly seen that three village Panchayets situated round about Rampur are reported to have agreed to pay their quota towards the maintenance charges of a dispensary at Ramapur, and that resolutions from the other Panchayets are also expected shortly. The District Board have resolved to bear their quota of the contribution and the President requests sanction to the opening of a dispensary on a reduced scale of expenditure.

I have to-day, addressed the District Medical Officer, Chitaldrug, to report as to the suitability of the Travellers' Bungalow (as suggested by the President) for the location of the dispensary. Regarding quarters, the President reports that the villagers have promised to provide decent houses for the staff on a monthly rental of Rs.2/- to Rs.3/- If they should do this, it is necessary to make sure that the rent for the buildings is borne by the local bodies themselves until quarters are constructed at the place. Otherwise, the question would later occasion an objection of the kind raised by

Letter No. C. 259/L.F. 27-28, dated 18th December 1928 from the District Board President, Chitaldrug District, to the Senior Surgeon in Mysore, Bangalore.

In continuation of this office No. 259-L.F.27-28, dated 1st September 1928, on the subject of opening a Local Fund dispensary at Ramapura in the Molakalmuru Taluk, I have the honour to state as follows:-

The Amildar of Molakalmuru who was addressed in the matter of the maintenance charges payable by the Panchayets concerned has reported that 3 out of 13 panchayets situated within a radius of 5 miles of Ramapur have agreed to pay their quota and that resolutions from other Panchayets ~~xxxxxxx~~ to that effect would be sent up shortly. In the meantime, he has suggested that action might be taken for starting the dispensary at Ramapur from 1st January 1929. As the District Board have already agreed to pay their quota of contribution for this purpose (vide copy of resolution dated 26th July 1927 enclosed) I request that sanction of Government may be kindly obtained for opening a dispensary at the place on a reduced scale of expenditure as early as possible. The District Board and the Panchayets concerned will meet their respective quota of the maintenance charges.

As regards the place for the location of the dispensary one of the rooms of the Travellers' Bungalow at the place might be utilised for the purpose together with the out-houses set apart for the non-vegetarian kitchen pending construction of a suitable building.

In regard to the accommodation required for the dispensary staff, it is reported by the Amildar that the villagers have promised to make available two houses fairly decent for their quarters on a monthly rent ranging from Rs.2 to Rs.3.

As for the contribution promised towards the construction of a building by the villagers of Ramapur in this connection, the Amildar has reported that Rs.2,900 has been collected so
